*One Taken—A Lawyer’s Guide to Being Sure You Are a Christian*

\$14.99 ISBN 978-1-951561-84-0

*One Taken* is the book a Christian in doubt about their faith would receive if they asked a lawyer to turn the relevant verses of the New Testament into an easy-to-follow manual on how to be sure they are a Christian. Why would someone turn to a lawyer with questions about their faith? Lawyers have a valuable set of skills. They typically use those skills to help clients work through complex legal problems, but those skills are readily transferable to working through other kinds of problems. *One Taken* provides uncertain Christians a lawyer’s treatment of everything the New Testament says about how to be sure you are a Christian. It collects all of the verses that answer that question, and presents them in an organized, highly accessible way with limited commentary.

“The Bible tells us that blessed is the man who delights in the Word of the Lord and meditates on it day and night. Brett’s thought-provoking book does just that. It takes you on a journey of wrestling with the complexities of the Scripture and discovering who Jesus is.... In the end, we all need Jesus!” —Tom Allen, Head Football Coach, Indiana University, Big Ten and AFCA Coach of the Year

“Brilliantly organized and executed, convicting and encouraging, *One Taken* provides clarity and guidance for those striving to be true disciples of Jesus.” —Lance Curry, Appellate Attorney
